## How is your soul?

**Answer the questions below with one of these options -  
Always, Often, Sometimes, Rarely, Never**

1. More and more I notice I am going through the motions.
2. I am aware of a nagging sense of something is not quite right but I don't take the time or make the effort to really look into it.
3. I find myself rushing from one thing to the next without time to really pay attention to what's going on in me or around me.
4. I am keeping up with what \_\_\_\_\_ requires but I feel like I have lost touch with who I am with God.
5. I am tired, not just physically, and I don't know how to get rested. I am not sure what actually provides rest for my soul.
6. I am aware of an underlying irritability, anger, disappointment, or restlessness just beneath the surface of my life.
7. I have become addicted to technology.
8. I don't have regular spiritual practices or healthy daily routines.
9. I embrace escapist behaviors: Technology, eating, binge watching, porn, shopping, drinking, dreaming about having a different life.
