FEAR

Barton: "Any kind of authentic calling usually takes us to a place where we have serious objections of some sort, places where we feel (Fear) – We feel inadequate. Following our Authentic Calling will require us to confront our own willfulness and our preconceived ideas about how we thought our life would go. At some point - we think what God is asking us to do is downright impossible or where we just don't want to take the risk."

Moses Confronts His Fears

- Exodus 3:11 "Who am I..." & 4:10 "I am not a good speaker..."
- Fear of Failure

- Exodus 4:1 "But Behold - They won't believe me..."
- Fear of Man

- Exodus 4:13 "Oh my God - please send someone else"
- Fear of Hardship

Leadership writer - Patrick Lencioni says this: "If you were searching for leaders to change the world, what qualities would you look for? Courage and intelligence would certainly be prime candidates. Charisma might make the list. Yet, as important as these characteristics may be, I would rank two others ahead of them, the two qualities I'm thinking of are: Humility and Pain Tolerance."

Lessons Learned

"Every opportunity to fear is also an opportunity to trust God."

Questions

“Whatever you fear establishes the boundaries of your freedom. (Afraid of heights – you stay low, Afraid of people – you stay alone, Afraid of outdoors – you stay indoors) so...whatever you fear establishes the boundaries of your freedom – this is why the scriptures talk about “fearing the Lord” – Why would fearing God be such a positive thing? Answer: Because God is the only one, if you fear him, will not use that fear to limit you. His perfect love casts out all fear. When God is your only fear then you become free of the dominating power of fear and are free to love and move forward.” - *Erwin McManus*

1. Can you recall a time where you were nearly paralyzed by Fear?
2. Fear of Failure – Fear of Man – Fear of Hardship: Which one do you battle against most often?
3. Run, Reminders, & Reach-out: What’s most helpful for you as you face your fears?
4. Realize God is with you! – Discuss the Erwin McManus quote
