2. Helping the Hebrews detach from Slavery

3. Takin the "roundabout way"

Exodus 13:17-18a – "When Pharaoh finally let the people go, God did not lead them along the main road that runs through Philistine territory, even though that was the shortest route to the Promised Land. God said, "If the people are faced with a battle, they might change their minds and return to Egypt." So God led them in a roundabout way through the wilderness toward the Red Sea"

Questions

1. What's your level of patience when dealing with people who need to change? What about patience in dealing with the change you want to see in yourself?
2. How might the LORD be using your current circumstances to build your leadership muscle?
3. List three of the most powerful false gods in our current culture. Why is it so hard to break away from them?
4. Have you experienced God leading you in a "roundabout way" – When? How might you need to lead people in a "roundabout way" rather than by the shortest route?
