Moses's Failure

God's Response

Questions

1. Talk about a time when you were in an emotionally fragile place which made you vulnerable to Failure.
2. How do you continue to lead (Yourself, Family, Business) when those you are leading don't seem to change?
3. What response by Moses most resonated with you: Veering off course of God's Word - Anger and name calling - Stealing God's glory for yourself?
4. Discuss God's punishment of Moses. Does it seem too harsh? What does this say about what God values in those he puts in leadership positions?
